

Capability Statement

Mrs. Rogers Cleaning Service, LLC DBA Cleaning Innovations, LLC is a HUB-certified small business that provides daily, weekly, and monthly cleaning to commercial and industrial buildings, including office and government facilities. Our mission is to lower the spread of germs, provide excellent service, and establish a safe & clean home or workplace just for you.

Safety, Sanitation, and satisfaction:

Cleaning Innovations provides janitorial service to customers of all sizes. We can customize a cleaning package that will meet your facility. We will clean as often as needed and work around your schedule.

Core Competencies:

- Government Facilities
- Office & Office Buildings

Differentiators:

- Our combat cleaning method
- We only use products on the EPA D and N List (with a 3 to 10-minute kill time on bacteria and disease)
- We use color-coding cloths and mops to prevent cross-contamination
- Healthcare-approved microfiber cloths and mops
- HEAP approves equipment only
- We Change All Air Filters Monthly
- PPE is Mandatory for all Staff

Mrs. Rogers Cleaning Service, LLC

Our Combat Cleaning Method:

Our combat cleaning method is the key to lowering the spread of germs. Our combat cleaning method has three major parts the software we use to communicate with our clients, our intense cleaning training, and the chemicals & equipment we use to lower the spread of germs. When we put these three things together, the outcome is a safe workspace for your clients and employees.

Retention:

- Cleaning and safety training
- Quality inspection
- Our Rapid Response - guaranteed to hear from us within 2 hours (your email, phone call, or having one of our representatives at your facility)
