Capability Statement

Cleaning Innovations was established to provide high-quality janitorial services for commercial realty companies, government agencies, medical offices, and office facilities. Cleaning Innovations is a woman-owned business that serves Raleigh and Wilmington, NC. Our mission is to lower the spread of germs, provide excellent service, and establish a safe & clean workplace just for you.

Core Competencies:

- Government Facilities
- Medical Facilities
- Office Facilities

Differentiators:

- Our combat cleaning method
- We only use products on the EPA D and N List (With a 3 to 10-minute kill time on bacteria and disease)
- We use color-coding cloths and mops to prevent cross-contamination (Healthcare-approved microfiber cloths and mops)

Retention:

- Cleaning and safety training
- Quality inspection
- Our Rapid Response - guaranteed to hear from us within 2 hours (your email, phone call, or having one of our representatives at your
